

WITH GOD IN OUR HEARTS,  
WE LOVE AND LEARN

## St. Joseph's Newsletter

Issue 036 - 3 July 2017

Given the many upsetting stories in the news recently I have been delighted to work in a school with children who are so caring, considerate, thoughtful, understanding, respectful and hopeful. As a school we haven't highlighted any individual event but have continued to educate our children about the impact they can have on society by living out the core values we share with them.

*'Where we find hate and darkness may we bring love and hope in order to give a more human face to society.' Pope Francis*

### E-safety advice

- Always check privacy settings on any social media apps to ensure you have control of who can view your information.
- If using snap chat please be aware that recent changes mean you are sharing your location with others unless you change settings accordingly.
- Make sure you monitor your child's internet activity to ensure all sites visited are appropriate.

### September Fair

As the end of the year approaches we will be starting to plan for the September Fair (16.9.17). It would be great to be able to offer more for our children on this day. If you have any ideas or suggestions please contact me to discuss. We will hold a meeting on Monday 17 July at 4pm to finalise plans which I would be happy to see you at!

### 50-50 Club

50-50 Club winner this week is Charly Duncan. Well done!
