St. Joseph's Newsletter

Issue 005 - 9 October 2017

We have enjoyed another exciting week in school. Your children really are working hard and they are producing some excellent work. I would like to take this opportunity to raise the profile of e-safety again as we start a new year. Please can I ask that you speak to your children again about how to stay safe online. We will be talking to your children about this in school but it is really important that as parents we know exactly what our children are doing online. Thank you for your support!

CAFOD

It was wonderful to see all of your children dressed so brightly on Friday in support of CAFOD, supporting those less fortunate than ourselves is an important message to pass on to the children. All of the money raised today will be sent to CAFOD and it is important that our children know the difference bringing in £1 has made to others lives. Thank you!

Building Work

I am really pleased to announce that we have secured funding for the building of a much needed extension on the front of the school. This will enable us to have a better reception area and meeting room. A letter will be sent out with the dates of the build when finalised but I'm sure you will all benefit from this in the future. Thank you for your support!

Football and Netball Tournament at Cardinal Griffin

Congratulations to both the school football and netball team for their performances in the tournament at Cardinal Griffin on Monday. The children played with effort and determination and were a credit to the school. The netball team finished third and the football team were runners up. Congratulations to you all we are really proud of you!

50-50 Club

50-50 Club winner this week is Archie Quinn Well done! Please support us by having a number in the draw you can still pay £1 weekly on Monday morning if you wish to support us with 50-50 Club. Thank you.
