

WITH GOD IN OUR HEARTS,
WE LOVE AND LEARN

St. Joseph's Newsletter

Issue 014- 20 January 2020

Our broad and balanced curriculum

We have spent a lot of time as a staff evaluating your child's learning journey at St Josephs and together we have redesigned our curriculum so that it is broad and balanced. We have ensured that your children will learn skills and knowledge in all subject areas.

Our new curriculum has a clear progression of skills that the children build on as they move through the school as well as key knowledge that they will take with them.

We strongly believe that a positive partnership between the school and parents impacts enormously on the achievement of our children. We have therefore put all of the curriculum on our website including trips and topics covered to allow parents to follow their child's learning journey and support this at home. Above all, we have identified the values and virtues we want all children to possess as they leave our school in year 6. These can also be seen on the website: [Click Here](#)

Please take time to look at all of this information and ask any questions you may have. Thank you once again for your support!

Early Years Outdoor Area

The early years area is now complete and the children will be able to access it from today. We are all really excited about this area and just how much it will add to the learning experience of the children in St. Joseph's early years classes. Thank you for your support as it is the growing numbers in our nursery that has enabled us to develop this area.

Park Run

If you are interesting in joining us for the Park Run on 1st Feb please remember to resister yourself and your child online and print out your barcodes. All children need to run with an adult. We will meet next to the play park on Marquis Drive, WS12 4PW at 8.40am. The run begins at 9am and is 5km / 3.1miles long. We look forward to seeing you there!

School Lottery

Congratulations to Miss Heath on winning this weeks lottery. If you would like to be in with the chance of winning a cash prize and supporting the school at the same time please go on to the school website and look under parents/school lottery for details of how to enter.
